# W E L C O M E

Family photos serve as cherished time capsules, freezing fleeting moments and emotions for generations to come. These snapshots

capture the essence of togetherness, love, and growth, reminding us of the bonds that weave our lives together.

Photographs are more than just images; they're windows into the past, connecting us to our roots and telling the stories of those who came before us.

From the joyous celebrations to the everyday moments, each frame holds a piece of our personal history.

Behind the lens stands the photographer, a skilled individual who possesses the ability to capture not only faces but also the personalities and relationships that define a family. Their expertise in composition, lighting, and timing ensures that every shot portrays the genuine essence of the moment.

Family photographers have the knack for creating an atmosphere that encourages authenticity and comfort, resulting in candid shots that reflect genuine emotions. Therefore, the role of a skilled photographer becomes integral, as they weave their magic to capture the essence of what truly matters: the love, laughter, and unity that define our families.

## MEET KERRY

---

Photographer. Storyteller. Creative. Mother. Home school teacher. And fierce advocate for equity and understanding.

I am Kerry and I live with my 2 kids, the goodest dog, a mean cat, 2 ducks and a couple of neurotic quail. And I am truly blessed to have endless locations available on my back doorstep to venture into with my camera in hand.

Since turning a lifelong hobby into a business 5yrs ago I have been capturing love, life and everything in between. Last year I was lucky to work alongside a group of other creatives globally for a project for Disney which was a fantastic and fun opportunity.

I love the way an image can take you right back to the moment.

How it can reignite in your senses what you felt at that moment in time, with the smells, sounds and emotions coming back to life within you.

I love working alongside my clients to bring their creative vision to life. Leaving them to relax and enjoy the moments while the magic is captured around them giving them memories they will treasure forever.

# WHAT TO EXPECT

## CREATIVE CONSULT

Once you have selected your package option, we have an in-person or online consult for 45mins to go over all the details to ensure our photoshoot captures everything you want to about your business & brand. We discuss brand colours and styles, what to wear, how the photoshoot will run, where the photoshoot will be, what to bring, and most importantly... who you are and what you do!

## PHOTOSHOOT.

Depending on which package you select, the photoshoot will last from 1-3hrs and can be done in studio, at your home, in your place of work, or out and about in various locations. My style of photography is very relaxed, candid and fun, so don't panic if you don't know how to pose. I will happily guide you if needed, but I always find the best shots are the moments captured naturally.

## THE EDITING AND DELIVERY PROCESS

Depending on the size of the package booked, and the busy-ness of the season, it usually takes me 2wks to pop a little more magic in your photos and get them loaded into your online gallery.

Please note turnaround time for video can be up to 4wks depending on the package booked

## FINAL GALLERIES

Upon completion, you will receive a robust online album, filled with a variety of images for you to select from. Each package gets a certain amount of digital images included, but you have the option to purchase additional digital or printed images for the remainder of the year that your album is active. This is a great way to refresh your website, social media and marketing throughout the year without having to book another session (although I do love seeing my clients businesses grow and change when they book me again!)

A photograph of a smiling woman with long brown hair, a young boy with light brown hair on her shoulders, and a baby with blonde hair in front of her. They are all smiling and looking towards the camera. The background is a bright, indoor setting with green plants.

## F A Q ' S

Question: Can we include our pets?

Absolutely!! I love all the fur babes and critters, big and small. I do suggest taking them for a walk before the session just to shake off any excess energy they have.

Question: Do you travel?

Absolutely! I have been blessed to capture family magic from all over the country. Travel is included in the greater Dunedin region (Waikouaiti-Mosgiel), areas outside of this may incur a travel fee.

Question: Indoor or outdoor: Which is better for family photos?

Both have their charm! Outdoor sessions offer natural light and scenic backgrounds, while indoor sessions provide controlled lighting and a cozy setting. Choose based on your family's preferences.

# KIND WORDS

---

"WORKING WITH KERRY WAS A DREAM AND HER SUGGESTION OF TAKING OUR PHOTOS IN THE COMFORT OF OUR HOME TO CAPTURE SOME NORMAL LIFE MOMENTS WAS GREAT. WE LOVED THE PHOTOS SHE TOOK AND WE WERE SAYING WE WOULD NEVER HAVE CAPTURED AS MANY INTIMATE, SPECIAL, FUN MOMENTS IF WE HAD DONE A 'LOCATION'. THESE PICTURES CAPTURE WHO WE ARE AS INDIVIDUALS AND A COLLECTIVE FAMILY UNIT...EVERYONE SHINES X THE CHALLENGE WAS TO NARROW THEM DOWN TO THE ONES WE WANTED TO PURCHASE AS PART OF OUR PACKAGE AND THAT WAS HARD! WE DECIDED TO PRINT THE ONES WE PICKED AND CREATDE AN OLD-FASHIONED ALBUM TO MARK THIS TIME IN OUR LIVES. KERRY - THANK YOU X YOU ARE AWESOMELY AWESOME X"

FIONA D.

"THANKS SO MUCH KERRY, THE PICTURES ARE GREAT! WE HAD SUCH A GOOD TIME MY DAD WANTS TO BOOK YOU FOR HIS 80TH... IN 9 YEARS"  
ANNE W.

"KERRY IS AN ABSOLUTE LEGEND! NOT ONLY DID SHE WORK HER MAGIC AND BLESS US WITH AMAZING PICTURES, BUT SHE ALSO SOMEHOW MANAGED TO WRANGLE 7 KIDS, A BUNCH OF ANIMALS, AND ALL THE HILARIOUS MADNESS THAT COMES WITH A FAMILY PHOTOSHOOT. THOSE IMAGES ARE NOW LIKE GOLD TO ME- SERIOUSLY I MIGHT HAVE TO BUILD A VAULT FOR THEM! WE ARE ALREADY COUTING DOWN THE DAYS UNTIL KERRY'S ANNUAL RETURN. WE CAN'T WAIT TO HAVE HER BACK, CAPTURING ALL THE ADORABLE CHAOS AS OUR KIDS CONTINUE TO GROW. IT'S A YEARLY TRADITION NOW, AND WE WOULDN'T HAVE IT ANY OTHER WAY. THANKS A MILLION KERRY- YOU'RE NOT JUST A PHOTOGRAPHER, YOU'RE A WIZARD!"
